

Are you ASD aware?

It is estimated 1 in every 100 people have an Autistic Spectrum Disorder (ASD)

People with ASD use all kinds of services and businesses in Wales.

We are aiming to raise awareness of ASD across all Wales.

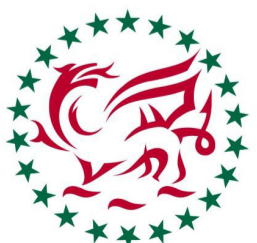

By having some understanding you can really help people with Autistic Spectrum Disorders.

Visit www.ASDinfoWales.co.uk/ASDaware to access some learning about ASD. This will only take a short amount of time but can make such a big difference to people with ASD.

Your learning will be rewarded with a personalised certificate.
